**ANTWONE FISHER**

**2002**

**PG-13**

**2h**

A young sailor, Antwone Fisher (Derek Luke) is ordered to see a Navy psychiatrist (Denzel Washington) who aims to help him get a handle on debilitating anger that causes many shipboard scraps — and that also led Fisher to a life of crime before he joined the Navy. Via therapy, Antwone seeks out the family who abandoned him as a child and experiences a catharsis that leads him to a career as a Hollywood career screenwriter. This film is based on a true story.
